

# After the Diagnosis Agenda

July 11, 2025

12:30pm - 1:00pm CT	<b>Welcome</b>
1:00pm - 1:10pm CT	<b>Welcome</b>
1:10pm - 1:40pm CT	<b>Understanding Dementia</b> <i>Faculty: Jonathan Graff-Radford, M.D.</i>  In Understanding Dementia, Dr. Graff Radford will give an overview on dementia. This overview will include discussions on the difference between Alzheimer's and dementia, and the other types of dementia.
1:40pm - 2:10pm CT	<b>You &amp; Your Doctor - The Essentials for Managing Dementia</b> <i>Faculty: Ericka Tung, M.D., M.P.H.</i>  In You & Your Doctor, Dr. Tung will help you arm yourself with information about the condition and treatment strategies, assemble your all-star team, advocate for safe, sustainable, holistic care, and plan ahead with some easy tips.
2:10pm - 2:35pm CT	<b>Living Your Best - Day to Day</b> <i>Faculty: Angela Lunde, M.A.</i>  In Living Your Best, Ms. Lunde will focus on addressing stigma and making practical day-to-day accommodations that empower the person with dementia
2:35pm - 2:50pm CT	<b>Break</b>
2:50pm - 3:30pm CT	<b>Community Round Up</b>  This session will showcase selected community organizations who will talk about the services and offerings they offer that support persons living with dementia and/or care partners.  <b>Dementia Caregiving - Let's Talk About It</b>  This session will provide practical strategies for family care partners who are, or will be, providing care and support to a loved one living with dementia.  <b>Ask the Doctor</b>  This session offers an opportunity for attendees to ask questions about mild cognitive impairment, dementia, managing symptoms, treatments, disease progression or other related questions in a comfortable setting.
3:30pm - 3:40pm CT	<b>Passing Time</b>

3:40pm - 4:00pm CT

**In This Together - Reflections from the Real 'Experts'**

In 'In This Together' you will hear reflections from a care partner and a person living with dementia.
