

After the Diagnosis Agenda

July 11, 2025

12:30pm - 1:00pm CT	Welcome
1:00pm - 1:10pm CT	Welcome
1:10pm - 1:40pm CT	Understanding Dementia <i>Faculty: Jonathan Graff-Radford, M.D.</i> In Understanding Dementia, Dr. Graff Radford will give an overview on dementia. This overview will include discussions on the difference between Alzheimer's and dementia, and the other types of dementia.
1:40pm - 2:10pm CT	You & Your Doctor - The Essentials for Managing Dementia <i>Faculty: Ericka Tung, M.D., M.P.H.</i> In You & Your Doctor, Dr. Tung will help you arm yourself with information about the condition and treatment strategies, assemble your all-star team, advocate for safe, sustainable, holistic care, and plan ahead with some easy tips.
2:10pm - 2:35pm CT	Living Your Best - Day to Day <i>Faculty: Angela Lunde, M.A.</i> In Living Your Best, Ms. Lunde will focus on addressing stigma and making practical day-to-day accommodations that empower the person with dementia
2:35pm - 2:50pm CT	Break
2:50pm - 3:30pm CT	Community Round Up This session will showcase selected community organizations who will talk about the services and offerings they offer that support persons living with dementia and/or care partners. Dementia Caregiving - Let's Talk About It This session will provide practical strategies for family care partners who are, or will be, providing care and support to a loved one living with dementia. Ask the Doctor This session offers an opportunity for attendees to ask questions about mild cognitive impairment, dementia, managing symptoms, treatments, disease progression or other related questions in a comfortable setting.
3:30pm - 3:40pm CT	Passing Time

3:40pm - 4:00pm CT

In This Together - Reflections from the Real 'Experts'

In 'In This Together' you will hear reflections from a care partner and a person living with dementia.
