With Mayo Clinic Connect you’ll never go it alone.

Check out MAYO CLINIC CONNECT

A welcoming online community where you can share your experiences, ask questions and find support from people with similar health concerns.

Discover your support network today at connect.mayoclinic.org
MAYO CLINIC
TRANSPLANT PAGE

Mayo Clinic is the largest integrated transplant provider in the United States, performing more than 2,000 solid organ and bone marrow transplants each year.

Follow the Transplant Page for blog updates and information about living organ donation:

• Information for living kidney and liver donors
• Resources and tips for transplant recipients
• Breakthroughs and research

Be part of the conversation. Post your comments and questions.
